

2009 FNH USA Midwest 3-Gun Championships

Sponsored by

To our Shooting Industry Partners:

We invite you to become a sponsor of 2009 FNH USA Midwest 3-Gun Championships sponsored by Midway USA, CMMG and DPMS. As you may know, the sport of 3-Gun competition is the fastest growing of the practical/action shooting sports with participation increasing dramatically every year.

The 2008 Midwest 3-Gun Championships was a great success and featured 3 days of shooting for 150+ competitors from all over the U.S. The match was featured in two different episodes on American Rifleman TV, each airing twice.

The 2009 match will be held June 5-7 at the Fire for Effect Range outside Columbia, MO. This year's match will be filmed and televised on *American Rifleman TV* as well as *Shooting Gallery TV* with Michael Bane.

By becoming a sponsor you will benefit from many promotional opportunities during and after the match, the most important being exposure on television. The event will also be covered by *Harris Publications* who are sending writer, Eric Poole to compete and write an article on the match.

Other opportunities include: free entries to shoot the match, booth space in the vendor tent, advertisement in the match booklet, handouts of your catalogs and promotional material to all shooters, a banner display and name recognition at the awards ceremony and mention on our web site.

Our goal is to offer a challenging and fun competition and reward *all* the competitors with prizes. Our plan is to offer grab bags of prizes for those shooters who do not win a firearm.

For donations, we prefer product rather than cash so everyone can leave with a prize.

Thank you in advance for your support. Please call with any questions. Larry Wayland, 573-881-6521 or larry@larrywayland.com.

Sincerely,

Larry Wayland
Assistant Match Director
Midwest 3-Gun Championships
